

THE BLACK MALE COMMUNITY COUNCIL OF PHILADELPHIA

OUR MISSION

The mission of The Black Male Community Council of Philadelphia (BMCCP) is to unite as black men to provide a clean, safe and secure environment for the women, children, and elders of our communities through membership and leadership that will embrace our neighborhoods with their presence and resources to uplift and empower targeted areas of Philadelphia.

OUR VISION

Our vision is to promote public safety and empowerment in the Black communities of Philadelphia. We are a community service organization engaged in employing strategies that will stabilize those targeted areas that require our services.

OUR VALUES

We will lead by example.

OUR PILLARS OF COMMUNITY EMPOWERMENT

BMCCP facilitates collaborative partnerships between community stakeholders, law enforcement, and faith-based and political leadership to foster safer and more resilient Black communities, under our key program pillars:

Clean-Up

Mediation, Prevention & Intervention

Security

Education, Training & Internships

OUR GOALS

- **Transform Neighborhoods:** Create peaceful, clean, and safe environments for women, children, and seniors in Philadelphia.
- **Foster Collaboration:** Build partnerships with community stakeholders, law enforcement, and religious and political leaders to enhance engagement and reduce violence.
- **Provide Supportive Services:** Empower BMCCP Community Partners to sustain long-term safety and security in targeted areas.
- **Adapt and Improve:** Use assessments, including crowdsourcing, to refine strategies and ensure community stability and success.

Boots on the Ground (BOTG) Victim Impact Services (VIPS)

Boots on the Ground / Victims Impact Services provides a healing and forgiveness process for crimes committed by felons. The program emphasizes responsibility for criminal actions and the impact on victims. BOTG /VIPS offers a four-step recovery process:

- 1 Self-Inventory
- 2 Forgiveness
- 3 Self-Esteem
- 4 Spiritual Awareness

This 8-week program is designed to reduce recidivism and provide a path to success for participants.
